FULL POTENTIAL DIVERSITY & INCLUSION FORM

Full Potential is a project run by Parks for Play, Balsall Heath CATS, Seven Up Charity and Childrens Quarter – the non-profit cooperative of which they are members. The aim of the project is to show the benefit that community-based clubs can have for disabled young people as they transition to adulthood. The project includes surveying the emotional wellbeing, social inclusion and physical activity of participants as they take part in community-based clubs run by Parks for Play, Balsall Heath CATS and Seven Up Charity. The groups involved would like to win more resources for services that support young disabled people through their transition to adulthood.

This form and the data collected by it is needed for us to be able to record the demographic data of participants, their diversity and inclusion in the project.

Date of birth _____ Home postcode _____

Gender Female Male Other Prefer not to say

Ethnicity

_____

_____

Which country or countries do you trace heritage from?

_____

_____

Do you have difficulty:

	Seeing, even if wearing glasses	yes	no
	Hearing, even if using a hearing aid	yes	no
